CHALLENGER 2 SERIES

ODYSSEY 2

EXPANDED MEMORY!

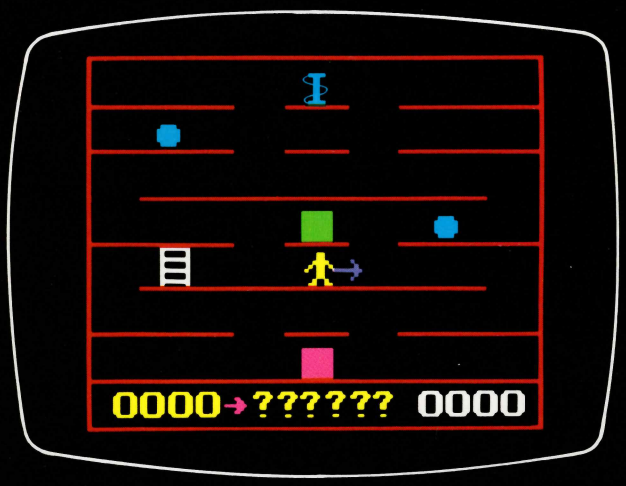
PICK AXE PETE!

Thrills, chills and spills as Pick Axe Pete strikes it rich in the Misty Mountain Mine!

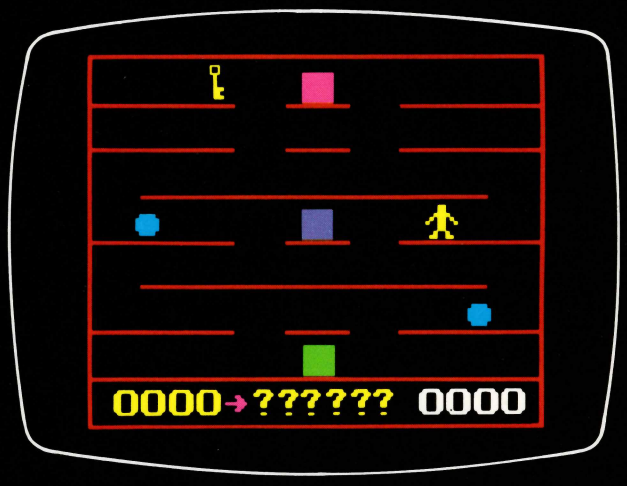
AC9437

PICK AXE PETE!

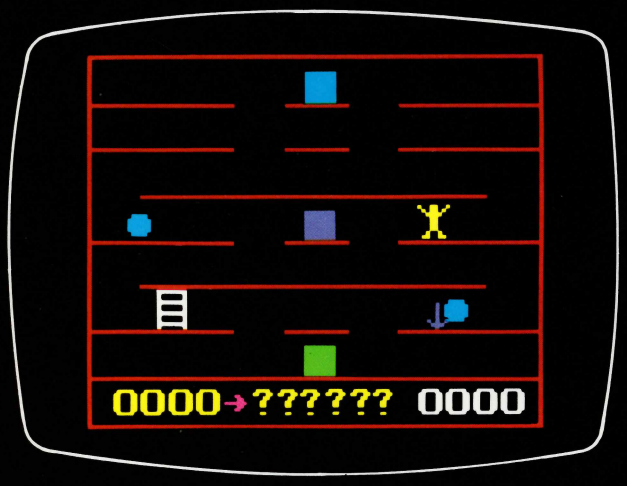
A Computerized CHALLENGER SERIES Game by Odyssey²



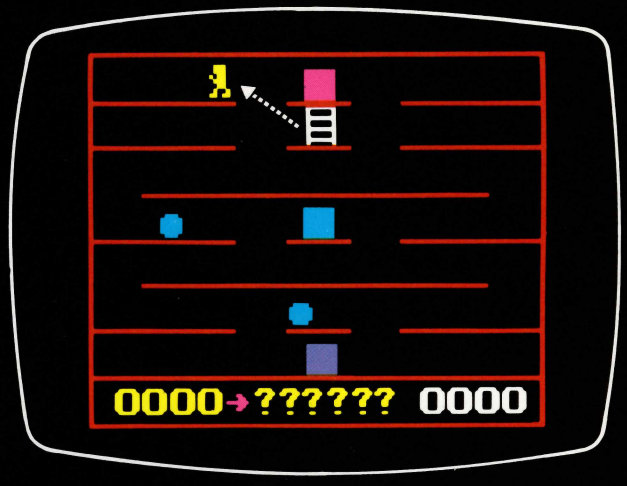
Pick Axe Pete in the Misty Mountain Mine.



Keys to deeper parts of the mine appear from time to time.



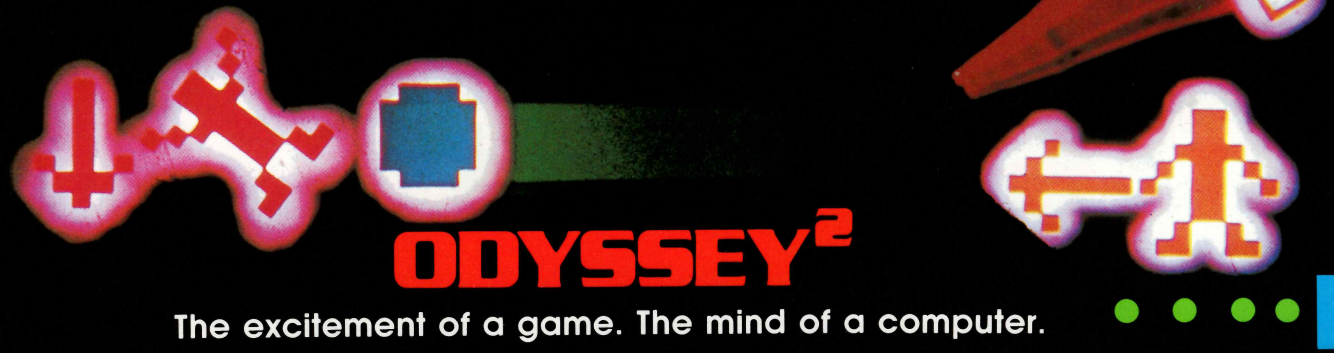
When Pick Axe Pete loses a pick, colliding boulders may uncover another one.



Use your joystick and action button to help Pick Axe Pete jump to the next higher level.

You've struck it rich! There's so much gold in the Misty Mountain it's actually bustin' out of the ground! But be careful one of those bouncing boulders doesn't bowl you over! Be ready for fast action, locked doors, secret keys and disappearing ladders on ten different playing fields.

For one or more players.



The excitement of a game. The mind of a computer.
